

Ten Commandments - Exodus 20. 1-17

As One at 10 Intro

Well good morning. Thank you so much for taking time to connect with us here at St Swithin's. We're extremely grateful for your prayers in this really challenging Season as we continue to pray for you too and pray for our aching world.

So we're in a version of Lockdown again..... how can we live well these 28 days. What have we learnt over the last 6 months that means we will live have learnt to draw on God's resources in a fresh and new way this month.

The Bible paints a picture of life with God as dynamic, an adventure, challenging, fruitful, peaceful, extremely difficult and one of abundant life, I wonder whether that's our experience?

Today we're holding two things together, Remembrance Sunday and God's heart for us to live well, the 10 Commandments. As we listen and reflect on the events of the past, my prayer is that God reveals to us again the wisdom of walking with God, choosing God and His ways and that God gives us a vision of living well and faithfully. In this generation in 2020 do we have the humility to listen and learn from the past and the courage to step out into a renewed future God is leading us into in his power and strength.

Let's Pray

God of grace, thank you for your presence in our lives and your guiding hand. Father we are hungry to live well, to know how to live and to choose to live in partnership with you each and every day.
