

As One at 10 Intro – Grace and Truth

Good Morning

Thank You for joining us this glorious summer morning. It's very evident from the sunburn around the city that the British Summer has arrived.....hopefully not just for this week.

While we can't gather together as a whole, we are really encouraging you to take up the opportunities, to meet up in smaller groups with others in gardens, for tea, in a local park....Our Summer Mission having tea in a garden! I feel like i'm in the wrong century!!!!

But, Can I also encourage you to keep praying for the city, for our parish, for us.....Pray for peace. For example Cranhill Nursing Home still has no deaths.....keep praying, St Andrews School.....Peace

We're looking at our values over this Summer, and they reflect the culture we want to grow into, and to create and today we're looking at St Swithins a church of grace and truth.

By personality, upbringing and other factors most of us lean to either truth or grace. One writer said" If you are a grace person you are most concerned about being loved. If you are a truth person you are most concerned about being right even it means being unloved. Christians are called to All grace, all truth, all the time.....Not grace on Mondays, truth and Tuesdays, and half grace and truth on the weekend. And we all know it's wonderful when we experience people full of grace and truth

Let's Pray

**God of grace and Truth, would you continue to pour your spirit upon and would your spirit well up within us so that as a church we overflow with grace and truth.
AMEN**
