

As One At 10 - 9th August 2020

Prayers

I kneel down and start to pray,
Thank You, God, for a special day
Thank You, God for sunshine, books and ice cream,
A day of swimming and fishing in the sea,
Thank you, God.
A day full of things both big and small,
Thank you, God, for making it all.

Take my hand and guide me,
I want you to be my guide,
I can see more clearly when you are by my side,
At night when I am resting,
Watch over me and pray,
And I will walk again,
Another sunny day

Amen
