Harnhill

Harnhill Centre of Christian Healing is based in the beautiful Cotswold countryside, and has at its core an ecumenical Community sharing in God's love. Harnhill Centre was founded in 1985 by Cannon Arthur Dodds, whose vision was the establishment of a centre for Christian Healing.

Through the provision of the Centre's activities, they provide a safe place offering rest, refreshment and support offering the healing love of Jesus Christ to all with whom they have contact.

They host regular public worship services and organise and run training courses in Christian healing and wholeness with an emphasis on offering pastoral care and hospitality, alongside which, is a deeply founded intercessory prayer ministry.
